

**TKM COLLEGE OF ENGINEERING, KOLLAM-5**

**FIRST SERIES TEST- S7- AUGUST - 2016**

**Time Table**

| [10-12] FN                        | 16 / 8 / 2016 [TUESDAY] | AN [2 - 4]                               |
|-----------------------------------|-------------------------|--|
| Advanced Structural Analysis      | C7                      | Design of Reinforced concrete structures |
| Gas Dynamics                      | M7                      | Princi. Of Managt. And Decision Modeli.  |
| Computer Integrated Manufacturing | P7                      | Princi. Of Managt. And Decision Modeli.  |
| Embedded Systems                  | E7                      | Digital Signal Processing                |
| Microwave Engg.                   | T7                      | Nanoelectronics                          |
| Computer Graphics                 | R7                      | ELECTIVE - I                             |
| Chemical Engg. Design -I          | H7                      | Petroleum Refinery Engg                  |

| [10-12] FN                         | 17 / 8 / 2016 [WEDNESDAY] | AN [2 - 4]                           |
|------------------------------------|---------------------------|--------------------------------------|
| Design of Steel Structures         | C7                        | Elective -I                          |
| Refrigeration And Air Conditioning | M7                        | Mechatronics                         |
| Theory Of Metal Cutting            | P7                        | Mechatronics                         |
| Power semiconductor drives         | E7                        | ELECTIVE - III                       |
| ELECTIVE - III                     | T7                        | Optical Communication                |
| Embedded systems                   | R7                        | Software Engg and Project Management |
| Mass Transfer Operations-II        | H7                        | ELECTIVE - III                       |

| [10-12] FN                                     | 18 / 8 / 2016 [THURSDAY] | AN [2 - 4]                     |
|--|--------------------------|--------------------------------|
| Elective-II                                    | C7                       |                                |
| Design Of Machine Elements-II                  | M7                       | ELECTIVE-III                   |
| Machine Tool Design                            | P7                       | ELECTIVE-III                   |
| Communication systems                          | E7                       | Industrial Engg and Management |
| Information Theory And Coding                  | T7                       | ELECTIVE-IV                    |
| ELECTIVE-II                                    | R7                       |                                |
| Economics and Management of Process Industries | H7                       |                                |
