ACT NOW. GIFT A LIFE.

The story of an alumnus of this college being saved from leukemia through stem cell implantation served as the inspiration for this venture.

INSPIRATION

MISSION

Our mission was to cover most districts of Kerala, and find donors and to collect samples from them.

To promote awareness about the importance and the vast possibilities of stem cell donation in cancer treatment.

VISION

OUTCOMES

- Successfully organized stem cell donor registration campaign in 8 districts across Kerala.
- A total of 4232 samples collected which is 4.6 % of India's and 29% Kerala's Donor Registration.
- Anoop Markose, a student of TKMCE, got a chance to donate stem cells and Save a Life.

AARDRA 2015 REPORT

AARDRA'15 was a blood stem cell donation awareness and donor registration programme conducted in association with The DATRI Foundation in various colleges across 10 districts in Kerala. As a public initiative of RITHU' 15, the intercollegiate cultural fest of TKM COLLEGE OF ENGINEERING held from 13th to 16th August.

Inaugurated at TKMCE on 28th September by Dr .B.Iqbal renowned neurosurgeon and Ex-Vice Chancellor of Kerala University. The event was attended by Mr. Aby Sam, the donor drive coordinator of the DATRI FOUNDATION and the first stem cell donor from Kerala.

The programme was conducted in the following colleges in Kerala;

- 1) TKM College of Engineering, Kollam
- 2) Government Engineering college, Barton hill, Trivandrum
- 3) Rajiv Gandhi Institute of Technology, Kottayam
- 4) Sree Buddha college of Engineering, Alapuzha
- 5) College of Engineering, Adoor
- 6) KMCT College of Engineering, Calicut
- 7) National Institute of Technology, Calicut
- 8) MES College of Engineering, Malappuram
- 9) PSMO College, Tirurangadi, Malappuram
- 10) Maharaja's College, Ernakulam
- 11) Sacred Hearts College, Thevara, Ernakulam

A total of 4232 people which accounts to 4.6% of India's and 29% of Kerala's total Stem cell Donation.
