Keralapuram Visit as part of EDAM Project

Honourable Minister of Fisheries, Harbour Engineering & Cashew Industry, Smt. Mercy Kuttyamma visited Keralapuram on 03/02/2017 as a part of official launch of EDAM project and its initial survey. Students representing UNAI participated for the same. The students conveyed their support in implementing the EDAM project and gave their valuable suggestions at the moment. Seeing the ignited minds enthusiasm and interest Honourable Minister Smt. J Mercy kuttyamma conveyed that she would like to arrange a meeting with UNAI members. She promised to look into the matter of dream of Incubation Centre for TKM College by discussing with Kundara Techno park Authorities. She also congratulated UNAI effort. Prof. Rijo, Prof. Althaf and Prof. Shan accompanied the students to share their view with the Minister.
