

PATHFINDER FOR FRESHERS-2025

TKM COLLEGE OF ENGINEERING KOLLAM

Govt. Aided & Autonomous Institution, Estd.1958

Affiliated to APJ Abdul Kalam Technological University, Kerala

To Inspire **T**hought To Impart **K**nowledge To Impact **M**indset

Vision

- Excellence in education and research with socio-economic and environmental outlook

Mission

- To offer the state-of-the-art Undergraduate, Postgraduate and Doctoral programmes
- To enhance knowledge by engaging in cutting edge research and by undertaking collaborative projects with industry
- To instill ethical, social and environmental perspectives in designing systems for sustainable development
- To nurture creativity, self-learning and interpersonal skills

First Autonomous college among the Govt/ Govt. Aided Engineering Colleges in the state

NBA Accredited

NAAC 'A' grade

OUR FOUNDER

History has produced many a great man who rose legendarily from trial to triumph by virtue of their sustained unrelenting work. The life of Janab Thangal Kunju Musaliar, the founder of TKM College trust, belongs to this fraternity. Janab Thangal Kunju Musaliar carved a niche for himself in the annals of Kerala's socio-economic life in the 20th century. He was a philanthropist, business magnet, industrialist, educationist, writer and publisher, nationalist, social reformer and above all, an ideal human being worthy to be emulated. Janab Musaliar was among the earliest to respond to Pandit Jawaharlal Nehru's clarion call to building up a modern India. Identifying that education is the best foundation in the process of nation building; he made a great contribution to the process through the foundation of 'TKM College Trust'. His extraordinary vision saw the birth of TKM College of Engineering in 1956.

Janab A. Thangal Kunju Musaliar
(1897 - 1966)

THE COLLEGE

TKM College of Engineering, established in 1958 by JanabThangal Kunju Musaliar, is the oldest private engineering college in Kerala. It has been pivotal in social and technological advancement, impacting numerous lives across India. Over six decades, the college has produced thousands of distinguished engineers, many of whom are global leaders in their fields.

Initially beginning with 120 students in three engineering streams, TKM now admits over 1000 students annually across nine undergraduate and eleven postgraduate programs. All departments are recognized as research centers by APJ Abdul Kalam Technological University, with more than 130 scholars pursuing doctoral studies.

The college received significant funding through TEQIP-II, totaling 12.88 Cr, utilized across two phases (2012-17 and 2017-23). It is the sole engineering college eligible for RUSA funding. Recognized by AICTE as a "Margadarshan" Institute, TKM mentors three neighboring institutions, including two engineering colleges and a polytechnic.

The establishment of "SEEDS-97," a Technology Business Incubation Centre by alumni, further enhances TKM's entrepreneurial ecosystem. Accredited with six UG and two PG programs by NBA and awarded an A grade by NAAC, TKM attained autonomous status from UGC on May 26, 2022, formally recognized by APJ Abdul Kalam Technological University on September 2, 2022. Ranked among Kerala's top three engineering colleges by the Kerala Institutional Ranking Framework, TKM College of Engineering continues to excel as a premier institution for technical education and innovation.

TKMCE Student Team Wins "Best Viable Idea Award" at STRIDE Makethon 2025

We are proud to announce that the team of four students from TKMCE won the "Best Viable Idea Award" at the STRIDE Makethon 2025. The award was presented to the team by the STRIDE Makethon organizers. The team's idea was to develop a smart irrigation system using IoT technology. The award was presented to the team by the STRIDE Makethon organizers. The team's idea was to develop a smart irrigation system using IoT technology. The award was presented to the team by the STRIDE Makethon organizers.

Congratulations to Team Maceup for making TKMCE proud!

ACADEMIC MANAGEMENT SOFTWARE - Etlab

College uses the web based Academic Management Software, Etlab, to accommodate all academic and administrative needs. This software integrates various academic activities like live delivery of lectures through online platforms, conducting online tests and quizzes, attendance management, teachers evaluation, etc. Students and parents can view the details of attendance, assessments, progress reports, performance analysis and so on in Etlab. Parents can monitor their wards' progress as well. It also supports administrative activities which include student admission, online fee payment, faculty and students profile management, grievance redressal and so on

Etlab AMS can be accessed using the URL "<https://tkmce.etlab.in>". The mobile application of this AMS can be downloaded from Google Play Store as:

"Etlab" (<https://play.google.com/store/apps/details?id=in.etuwa.app>).

Etlab student/parent app can be downloaded from the Apple App Store too.

STUDENTS AND PARENTS CAN GET LOGIN DETAILS IN SMS FORMAT TO THEIR REGISTERED MOBILE NUMBERS

PLACEMENT STATISTICS

Career Guidance and Placement Unit (CGPU)

The Career Guidance and Placement Unit (CGPU) has played a vital role in ensuring the career development and campus recruitment of the students graduating from TKMCE. With a close watch on the changing employment scenario, the Unit has always guided students in their career options and facilitated recruitment drives of prestigious companies.
