

Dear Parents,

Congratulations on your ward's achievement of getting admitted to the B.Tech courses at TKM College of Engineering, Kollam. To facilitate smooth communication between the advisory team of your ward's batch, we have created a WhatsApp group for parents and the advisory team, which consists of the senior advisor and faculty members who will be supporting your child throughout the next few years of their course.

Please find attached the links to the WhatsApp groups for your ward's advisory at TKM College of Engineering for the 2024-28 batch of UG courses. You are requested to join the group corresponding to the branch in which your child has been admitted.

Thank you.
